

Moving Checklist

Planning and preparing down to the last few details will make your move easier. The following schedule will help keep you on track.

8 WEEKS BEFORE THE MOVE

- If you are using a professional mover, get estimates from different moving companies and choose the one that best suits your needs. If you are moving yourself, get estimates from truck rental companies. Be sure to reserve in advance.
- Draw a floor plan of your new house. This will help you decide what furniture stays and what furniture will go.
- Use up things that can't be moved - such as the food in your freezer and flammable household aerosol cleaning products.
- Ask your agent for a relocation package for your new location or contact the Chamber of Commerce in your new location and start gathering information about your new home town.

6 WEEKS BEFORE THE MOVE

- Discuss costs, insurance, packing, loading, delivery, and the claims procedure with your mover.
- Inventory all of your possessions now. Determine what can be sold and what can be donated for a tax deduction to charity.
- Get copies of your records from doctors, dentists, lawyers, accountants, veterinarians, etc. Make arrangements to transfer your children's school records.
- Go to the post office and obtain a change of address kit and start filling out the cards. Don't forget about changing the address on magazine subscriptions, catalogs, creditors, etc.
- Find out from your accountant or the IRS about tax-deductible moving expenses. Make sure you keep accurate records.

4 WEEKS BEFORE THE MOVE

- If you have contracted to have the mover do all the packing for you, arrange to have this task completed a day or two before loading the truck.
- If you need it, arrange for storage.
- Clean or repair furniture, curtains or carpet that need it.
- Hold a garage sale. Use the extra cash to splurge a little on your new place.
- If you are moving yourself, figure out how many boxes you'll need. Many truck rental companies will provide this service.
